25X1A

1. Inclosed are photostats of patent descriptions submitted by Russian and German personnel of the Rectifier Bureau, Berlin-Gerschöneweide, Wilhelminenhofstrasse 83-85 and the Scientific Technical Department of the Ministry of Electric Power Plants, Berlin-Rummelsburg, Hauptstrasse 9-13 to the Russian Patent Bureau, Berlin-Friedrichsfelde, Schlossstrasse 33. *The descriptions concern grid protection for D.C. high voltage transmission.*
2. Aleksei Nikolaevich Filimonov, mentioned in enclosures, was formerly with the Scientific Technical Department of the Ministry of Electric Power Plants. He left in June 1948 and is said to be at the Lenin-grad Institute of the Ministry of Electric Power Plants at the present time. Nikolai Semenovich Klimov, former chief of the Rectifier Bureau, who left for Russia on 1 January 1949 and whose address in enclosures is given as: Moscow, Bolshaya Bogorodskaya, House 1, Apt. 1, is said to have lost all interest in problems of long distance high tension transmission since his return to Russia.
